United States District Court

Re: *M2 Consulting, Inc. v. MRO Software, Inc.*
U.S. District Court C.A. No. 03-12589-GAO

Dear Magistrate Judge Bowler:

On behalf of my client, MRO Software, Inc. respectfully withdraws its Emergency Motion For Expedited Discovery Into Issues Related to Copyright Infringement [Docket Entry No. 21] (the "Motion"), without prejudice to its right to renew this Motion at a later date. On June 7, 2005, the Court scheduled a hearing on this Motion for June 29, 2005 at 10:30 AM. Based on the withdrawal of this Motion, it appears that the June 29, 2005 hearing is no longer necessary and may be cancelled.

Thank you.

Very truly yours,
